

Troy Marble & Granite Works offers a wide variety of monument sizes and styles to suit every cemetery requirement and family budget. We hope this guide will be helpful in determining which type of monument you are interested in. Please feel free to visit our Online Catalog & Monument Designer to browse our extensive catalog of designs that may be customized for you and your loved ones. You may also try your hand at designing your own.

Family or Estate Monuments

These monuments typically display a family name and have multiple ledgers, bevel markers, slant markers or flat markers to represent individual members of the family.

Companion Monuments

These monuments typically have inscription panels on the face of the monument for individuals.

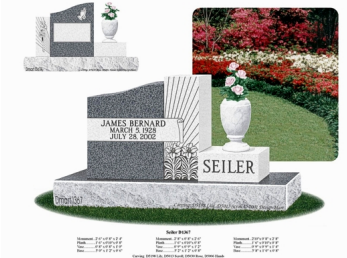

Individual Monuments

These monuments are typically smaller and are ideal for individuals. It is possible to place inscriptions on one of these monuments for two individuals, however space may be limited.

Half Serpentine Monuments

These monuments may be used for Family or Estate monuments, Individual Monuments or Companion monuments depending on the arrangement of the inscriptions and placement of markers or ledgers for individuals. It is also a nice way to feature a vase for flowers.

Wing-Style Monuments

These are popular companion style monuments and present a nice opportunity for a flower vase.

Flat Markers are usually Cross Markers or Flush Markers because they are flat or flush against the ground.

Recessed Markers are usually Cross Markers, and these are simple family portraits and dates where the name is carved into the stone.

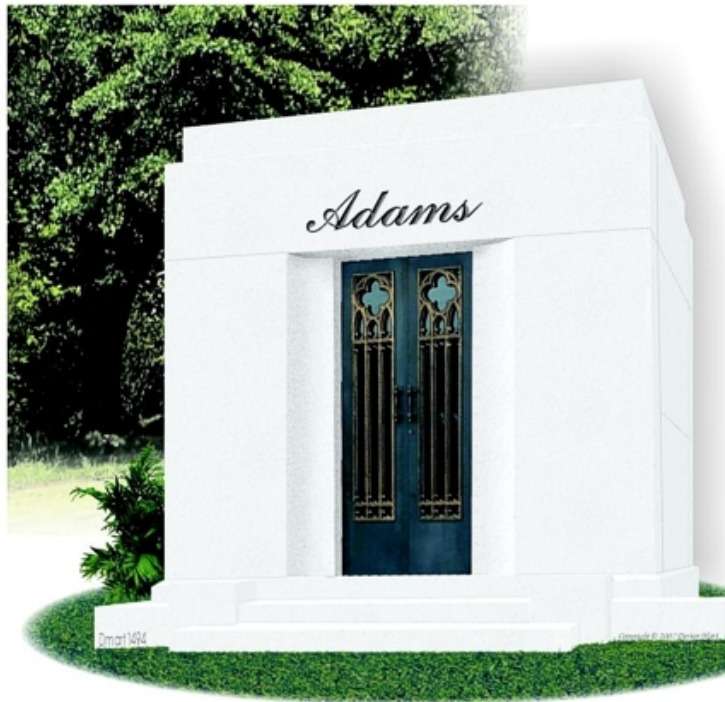

Engravings are typically placed on a black stone and may be created by black with white, or they may be created by white with black.

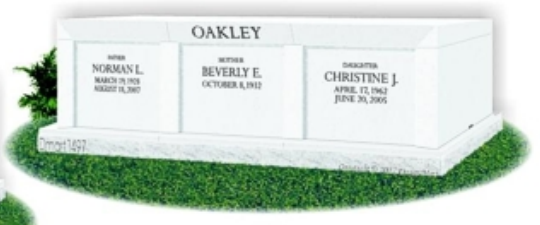

Benches are another popular choice for families. They can be made of granite or other materials and can be customized with names and dates.

Monuments can be made of granite or other materials and can be customized with names and dates.

A Crypt or Mausoleum can be an ideal way to preserve the memory of an individual or an entire family. Crypt designs are available in a variety of configurations, and a walk-in mausoleum can be custom designed for two to eight niches.

Monuments can be made of granite or other materials and can be customized with names and dates.
